

ON THE ASSOCIATED PRIMES AND THE SUPPORT OF LOCAL COHOMOLOGY
MODULES, ALGEBRA COLLOQ. (SCIE) 15 (2008), 599-608.

Le Thanh Nhan, Nong Quoc Chinh

TÓM TẮT:

In this paper, we introduce the notion of k -depth to study the associated primes and the support of local cohomology modules. A result on non-vanishing of local cohomology modules is given.
